Sir:

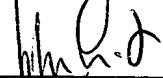

Applicant wishes to draw attention to the documents listed on the accompanying Form PTO-1449. Copies of the documents other than U.S. patents are enclosed.

DE 37 02 449 and DE 44 16 901 are not in the English language. These documents were cited in the United Kingdom Search Report issued by the United Kingdom Patent Office in connection with the corresponding United Kingdom patent application and the International Search Report, respectively. Copies of these search reports are enclosed. Since the search reports indicate the degree of relevance, applicant believes that the requirement in MPEP 609 for a concise explanation of any non-English document has been met.

With the exception of WO 88/06494, all the documents listed on Form PTO-1449 were cited in either the United Kingdom Search Report or the International Search Report.

Pursuant to MPEP 609, it is requested that the Examiner should initial Form PTO-1449 to confirm that each document has been considered, and return a copy of the form to the undersigned with the first Office Action.

Respectfully submitted,
